Program Terms and Requirements:

Customers must meet program eligibility requirements to participate. Eligibility for 0% financing is based on findings from the Home Energy Assessment and requires pre-approval. Some restrictions apply and offers are subject to change or cancellation. Financing is subject to credit approval from a participating lender. A verification inspection of the completed work is required for all customers receiving financing to ensure compliance with program requirements. Additional terms and conditions apply.

Proud sponsors of

0% financing may be available for:

- Attic, wall and basement insulation
- Heat Pumps
- Boilers and furnaces
- Water heaters (including solar)
- Smart thermostats
- ENERGY STAR® certified replacement windows
- Residential battery storage system
- A renovation or addition project

Does your home have a barrier preventing you from adding insulation, like knob and tube wiring or asbestos? We offer financing options for the removal of that barrier, up to \$10,000, along with your insulation work.
